**TURNKEY DIGITAL LOOP CARRIER SERVICES**  
*One Contact, One Order, One Invoice*

## TURNKEY DIGITAL LOOP CARRIER SERVICES

### IT'S STREAMLINED

Install a digital loop carrier faster and more affordably. Sprint North Supply, in partnership with ADC Systems Integration, offers a streamlined, one-source solution.

Bypass the hassles and time constraints — from materials investigation and lengthy negotiations to scheduling and weather delays. We'll handle your turnkey digital loop carrier program, start to finish, in a fraction of the time it would otherwise require.

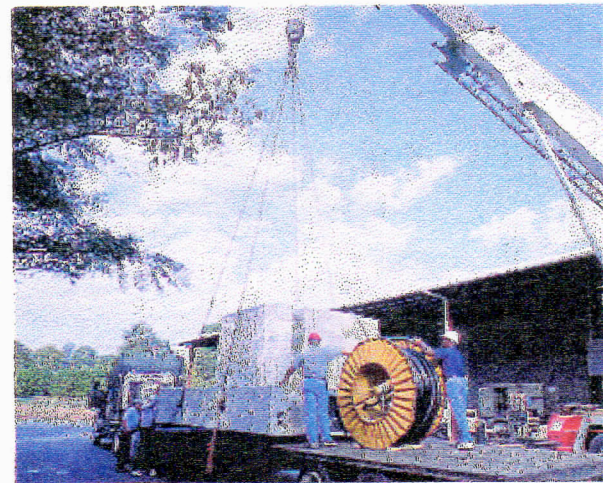

### IT'S CONVENIENT

When you work with us, you'll enjoy the convenience and cost-efficiency of the one-source turnkey Digital Loop Carrier solution. You'll have just one contact, one part number to order, one schedule and one invoice after the job is completed to your satisfaction.

### IT'S SIMPLE

All you need to do is give us some basic information, such as a materials list, pad design, splicing details, plug-in option settings, cross-connect terminations and PICS. We'll assemble, splice, option, power-up and loop-back test the DLC at our staging site and deliver the pre-assembled package to your site, ready to install.

#### Project Management

- Material Procurement
- Time-Line Tracking
- Receiving and Staging
- Site Survey
- Utilities Coordination
- Logistics Services
