

## A ROAD WITH A VIEW

Bypass traffic. Yield to panoramic views. Brake for Amish buggies. Scenic Byways detour toward river valleys, wildlife refuges and countryside inns. Along these leisurely lanes, the only ones speeding are white-tailed deer; the only ones honking are geese.

The following pages preview Iowa's Scenic Byways — from the rolling hills of eastern Iowa to the endless horizons of western Iowa. Take a look, then take a drive. It'll change your point of view.
