

# When Crime Hits Hard...

## **Victim's Compensation Helps**

If you or someone you love has suffered personal injury from violent crime you may be eligible for help, including compensation for:

- Medical care • Counseling • Loss of earnings • Loss of support for children • Funeral expenses

Compensation is not available for property crime or costs covered by health insurance or workers' compensation.

Where to turn. Report the crime to local law enforcement officials within 72 hours, and file an application by calling or writing to:
